Description:

This database details those persons enumerated in the 1860 United States Federal Census, the Eighth of the United States. In addition, the names of those listed on the population schedule are linked to the original images of the 1860 Federal Census, copied from the National Archives and Records Administration microfilm, 1860 rolls. (If you do not initially find the name on the page that you are linked to, try a few pages forward or backward, as sometimes different pages had the same page number.)
